

# Data sheet: WL-610

Product code : WL-610  
Product name : Wireless 3G Ready Router  
EAN code : 8716502020317

When you connect the Wireless 3G Ready Router to a USB 3G modem via the USB port you can share your internet connection anywhere. This solution is ideal to use at locations without cabled internet connections. With the Wireless 3G Ready Router you can wirelessly and wired share files and broadband internet access, as well as the peripheral devices attached to the desktop PC's and notebooks in your network. Thanks to the router function all connected desktop PC's and notebooks have full-speed access to the internet via one internet subscription.

## Share 3G internet
